Digi & Dara's Feeding Program Unite for the 19th Annual Bob Marley Tribute Fundraising Event

Digi is a proud sponsor of the 19th Annual Bob Marley Tribute Fundraising Event in support of Dara's Feeding Program - a free lunch program for at risk kids and teens in Belize City.

Dara's Feeding Program was first established fourteen years ago and today provides free daily meals to over fifty Belize City students, while offering them a safe and supportive environment. Our National Telecom's contribution will help support the organizing of the fundraising event which seeks to generate much needed financial resources to sustain the program.

The 19th Annual Bob Marley Tribute Fundraising Event is scheduled for Saturday, 4 February to Sunday, 5 February 2023 at Birds Isle in Belize City. This event includes performances by many Belizean artists and DJs. If you are interested in joining the program's fundraising initiatives, contact Dara's Feeding Program at 623-3662.
