

DIGI CELEBRATES SENIOR CITIZENS THIS CHRISTMAS

Living Independently in Full Existence (LIFE), held their holiday luncheon for over one hundred (100) senior citizens in Belize City on Thursday, 15 December 2022. Our National Telecom partnered with LIFE to treat seniors to a traditional Christmas meal, honouring them for their accomplishments, contribution to society and resilience throughout their lives. Free raffles and giveaways were also done during the event, including Digi TopUp, gift certificates and gift baskets. Seniors came out to enjoy each other's company, live music, performances and much more.

This annual holiday luncheon for the organization's members had been put on hold due to the COVID-19 pandemic for the last two years. Coupled with the impact of Hurricane Lisa to the Belize district, Digi was excited to join hands with LIFE as they continue their engagement efforts with senior citizens to amplify their voices and prioritize their well-being during this Christmas season – a time of giving, sharing and caring!
